Consulting Projects

We designed Talent Development Frameworks & Leadership Programs & Manuals

We delivered assessment solutions for employees and leaders

We assisted in the development of Human Resources Policies & Systems

We participated in Institutional Capacity Building

We developed Strategic Plans and Frameworks

Program Objective

Out of many program here's an lesson for chef's to prepare them for the real-world challenges and provide them the necessary skills and knowledge to tackle on real life situation and experience in the corporate world.

Participants are able to share their experience and collaborate with their peers to come up with common projects and innovative ideas. Furthermore, the end goal of the program is to upskill and produce highly qualified workforce who are to become experts in their domains, by exposing them to different internship opportunities in globe which in turn would play a factor in the chef's employability.

Message from Managing Director

Our intention is to highlight our talent capability to global market. FAHIM OVERSEAS LIMITED is amongst the many path breaking initiatives that global company has taken for the improving the life of front line workers and espousing the cause of ethical hiring processes for Asia frontline workforce seeking overseas opportunities.

Md. Ruhul Amin

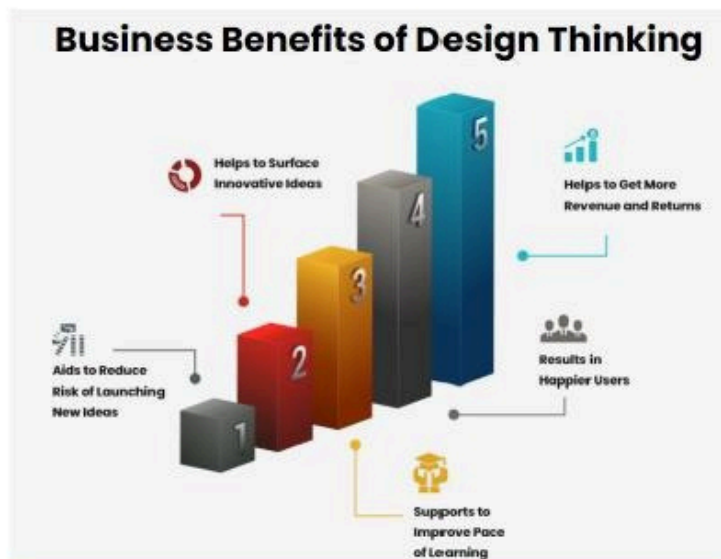

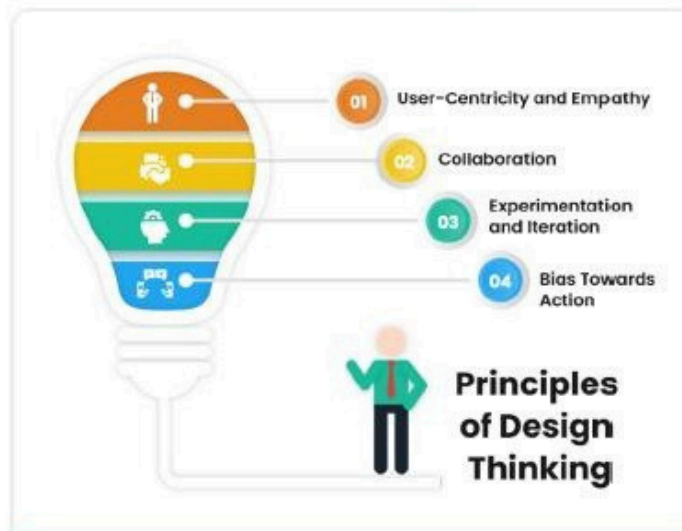

Message from Overseas Director

FAHIM OVERSEAS LIMITED is a trailblazing initiative focused on transforming the lives of frontline workers. Our mission is to advocate for and implement ethical hiring practices for Asia's workforce seeking overseas employment opportunities. By championing transparency, fairness, and integrity, we aim to create a positive impact on both workers and the global labor market. Through this initiative, we are not only improving the lives of individuals but also setting new standards for ethical recruitment in the industry.
